**Four Color Options to Choose From** 

# BLACK — LA Mask (3-Pack + Wash Bag) #711 - SMALL | #712 MEDIUM | #713 LARGE

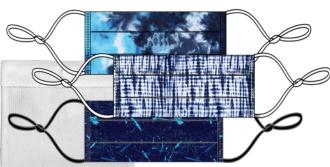

# **TIE-DYE** – LA Mask (3-Pack + Wash Bag)

#731 - SMALL | #732 MEDIUM | #733 LARGE

# **INDIGO** — LA Mask (3-Pack + Wash Bag)

# **CAMO** – LA Mask (3-Pack + Wash Bag)

**#741** - SMALL | **#742** MEDIUM | **#743** LARGE

# What Is FUZE Biotechnology?

FUZE is a permanent, chemical-free technology that can be applied to any surface or textile to prevent and protect against odor causing bacteria, mold and infectious diseases. Once applied, FUZE continues to kill harmful pathogens without the use of toxic disinfectant chemicals.

## **FUZE Technology is SAFE and LONG LASTING**

FUZE does not use any surfactants or chemicals as binders and targets only the odor-causing bacteria and fungus that comes in contact with the treated surface. There are no harmful effects to mankind or the environment and FUZE has been proven to maintain efficiency for over 50 washes and for greater than eight months on surfaces!

**PATHOGENS** 

UVA/UVB

### **Odor & Germ Control**

Eliminates germs that synthesize lipids creating odor. 95% smell reduction after 24 hours of wearing.

### **Hyper-Evaporation**

BAAL Tunnel testing shows significantly improved drying times compared to the identical fabric without FUZE.

### **Cooling Technology**

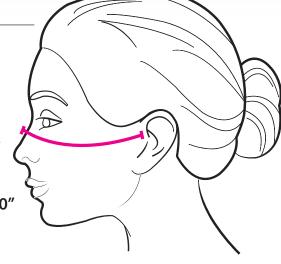

FUZE helps to boosts natural evaporation ensuring freshness, protection and comfort during everyday wear with your mask.

# What Mask Size Do I Need?

The LA Mask is pleated to adjust height for coverage and comfort. Width of the mask is measured at the widest part of the face, over the bridge of the nose, from your left cheekbone to your right cheekbone.

**MASK SIZES:** See instructions above and diagram for sizing.

Small = Less than 6'' | Medium = 6'' - 8'' | Large = 8'' - 10''

### How Do I Wash My LA Mask?

You should care for your mask by washing in cold water in the Fuze treated wash bag. Lay flat to dry. Do not tumble dry and wash separately with like colors.

# What Does the Fuze Wash Bag Do?

Each 3-pack of LA Masks includes a wash bag treated with FUZE patented pathogen control to safely wash and store your masks in.

### What is 100% OEKO-TEX® Certified Cotton?

Oeko Tex® cotton fabric is fabric that has been certified free from hazardous chemicals and is therefore deemed safe for babies and children and that harmful chemicals and substances are not present in the fabric used.

### How is FUZE Technology Applied?

FUZE is applied with a very light misting process that uses a very small amount of water and solution.
